## 14-0713am - Positive Attitude (Faith the Sixth Sense) Pt.12 - Samuel Dale

### HEBREWS 11:1-6

- » **1** † ¶ Now faith is the substance of things hoped for, the evidence of things not seen.
- » **2** † For by it the elders obtained a good report.
- » **3** † Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear.
- » **4** † ¶ By faith Abel offered unto God a more excellent sacrifice than Cain, by which he obtained witness that he was righteous, God testifying of his gifts: and by it he being dead yet speaketh.
- » **5** † By faith Enoch was translated that he should not see death; and was not found, because God had translated him: for before his translation he had this testimony, that he pleased God.
- » **6** † But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him.

### 1) 64-0823M QUESTIONS.AND.ANSWERS.1\_ JEFFERSONVILLE.IN COD SUNDAY\_

« **96** † **See, you--you're a dual person, three people in one, soul, body, and spirit. Now, I believe your outward senses, your--your soul from the--not your soul, but your outside conscience, your senses... When you're awake, in other words, you're--you're operated by five senses: see, taste, feel, smell, and hear. Them were only given you to contact your earthly home; and they're--they were not given to you to contact your heavenly home. There's actually six senses in a human body, because he is number six in the Bible. He was created on the sixth day, and he is number six--a man is. And he's got see, taste, feel, smell, hear, and faith. His faith sets his destination, where he's headed for.**

**Now, faith is the substance of things hoped for, the evidence of things you do not see, taste, feel, smell, or hear. But by faith, when he catches the Word, It sends him into a dimension (See?) that makes It so real to him, till he's just as good as got it in his hand. He knows it's going to happen.**

### 2) 53-1103 TAKING.GOD.AT.HIS.WORD\_ OWENSBORO.KY TUESDAY\_

« **E-3** † **Now, what is faith? "Faith is the substance (not just the mythical thought), it's the substance of things hoped for, the evidence of things you do not see," taste, feel, smell or hear. There's none of the senses declare it, yet the sixth sense, which is faith...**

**The outside man is governed by five senses: see, taste, feel, smell and hear. The inside man is governed by two senses: either faith or unbelief. If you believe it, it's just as real to you as if any of the natural senses of the body declare it. And truly, these senses of the body can be fooled, but faith is absolutely infallible.**

### 3) 53-0605 THE.BEGINNING.OF.JESUS.FAME\_ CONNERSVILLE.IN FRIDAY\_

« **E-29** † **Now, look. What is faith? Faith is a sixth sense. Five senses control this man. God put man in five senses to contact his earthly home. You don't contact God with your five senses. You know God by faith which is the sixth sense, which is the... There's two senses of the soul: faith and unbelief. And if you're possessed with faith, faith is just as real--much reality to you as sight is.**

**If you believe that shirt's white tonight, if you got sight and have faith in your sight, and you say that, shirt's white... If you believe Jesus Christ healed you at Calvary, just--and your faith will declare to you as much as what your sight does to this, you're healed right now. It's over. See? Faith is the substance of things hoped for, the evidence of things you do not see, taste, feel, smell, nor hear. You believe it. Say, "Well, I don't feel any different." You're not supposed to feel any different. You're supposed to believe. Is that right? The Lord bless you. Have faith in God.**

### 4) 62-0729 PERSEVERANT\_ VICTORIA.BC SUNDAY\_

« **E-26** † **Now, you've got five senses in your body. God gave you those five senses to contact your earthly home. That's see, taste, feel, smell, hear. But that has nothing to do with God. There isn't any of them that will declare God, not a one of them. No, because they are only given to you to contact your earthly home. See? See, taste, feel, smell, hear (See?), that has nothing to do with God at all. And people rely really upon them. But you--you--you mustn't do that.**

**Faith is something different. Faith is the sixth sense which you contact God. You can only contact God by the sixth sense which is faith. "He that cometh to God must believe that He is, and a rewarder of those that diligently seek after Him. See?"**

**5) 60-0611E FAITH.IS.THE.SIXTH.SENSE\_ CHAUTAUQUA.OH SATURDAY\_**

« E-44 † Our, heavenly Father, the sixth sense, these testimonies from the Bible that the sixth sense as I call it faith. I was reading in Hebrews 11 of the sixth sense, faith being the substance of things hoped for, the evidence of things that senses of the earth don't declare. And we see through there, how they subdued kingdoms, and stopped the mouth of lions, and escaped the edge of the sword. And--and Enoch was translated into heaven by that sixth sense. Abraham sojourned in a strange land and received a son after he was a hundred years old. Sixth sense. When Sarah's womb was dead, he considered not those things, he staggered not at the promise of God through unbelief. But was strong giving po--glory to God. He knowed God made the promise and God, he was fully persuaded, would keep what He had promised.

O God, and we're supposed to be the children of Abraham. What a poor excuse we are. O God, wake up the sixth sense in this church amongst these people tonight. When we see that You gave that great sign to Abraham. And there what taken place. God, I pray that they'll see the Angel of the Lord's Presence tonight and will rely not, upon their feeling, upon their sight, but upon the Word of God that made the promise, and every person in here will be healed, and every one that's unsaved will be saved, and all without the Holy Ghost will receive It. Hear me, Father, I pray in Jesus' Name. Amen.

« E-45 † Are you ready to receive your healing? All of you? You--you going to put your sixth sense to work? What is the sixth sense now? It's faith. And faith is the substance of things hoped for, the evidence of things that makes Missouri wrong: "I'm from Missouri. You have to show me (you know), got to see it." Faith is that thing that subdues kingdoms, that wroughts righteousness, that does all kinds of miracles and signs of that sixth sense. Wake it up; take the bandage off your spiritual eyes. Look around, see if you can't see that God still remains God.

All right, all of you that's got prayer cards line up over here to my right, according to your number. Prayer card 1, 2, 3, 4 stand up. 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, just come right this way now to this side. [Brother Branham speaks to someone--Ed.] Yeah. Uh-huh; that's fine. Bring the--your... so the people can get around, that's fine. Drop them right down in here if you will. All right. 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, six... [Blank.spot.on.tape--Ed.]

**6) 53-1103 TAKING.GOD.AT.HIS.WORD\_ OWENSBORO.KY TUESDAY\_**

« E-1 † We trust that this night will be... cold outside, and that, but we won't be cold inside. We pray that the Holy Spirit will just warm our hearts in such a way, until we'll know that His presence is so tangible. I believe He's just as tangible tonight as the light is on my hands. Don't you believe that? He's just as real as the light, or just as real as anything that you can touch with the five senses. The five senses wasn't given to man to contact God with however. Five senses was given to man to contact his earthly home. We contact God by faith, the sixth sense. These five senses control this body, but the sixth sense is faith.

Have you heard this old saying about people from Missouri say, have to "show me", and "seeing is believing"? Have you ever heard that, "seeing is believing"? I want to show you just how simple that is; that "seeing is believing". Seeing is not believing. I can prove that that's wrong.

Now, we--we have five senses that control the human body, and they are: see, taste, feel, smell, hear. That's the five senses. Now, come here Brother Williams, just a moment. I don't want to use you as an example of something, but... make you conspicuous, but...

**7) 62-0712 WE.WOULD.SEE.JESUS\_ SPOKANE.WA THURSDAY\_**

« E-15 † Now, it's too bad we don't have about a month here in this city in some auditorium, where we just take messages on faith, build the people to that. Let all these sick people throughout the building here that's setting here, let them come, watch night after night, see what takes place, watch for faith until really something anchors. Then they get it. When it--when faith anchors, it's there to stay. It'll never be moved. Nothing can ever move faith.

I find in a prayer line about ninety-nine out of every hundred that comes to the platform... Oh, I've heard people say, "Oh, Brother Branham, I got all faith." Then what are they doing up there. See, see? See, it's hope instead of faith. See? If faith, you know something. It's just as positive as if you're setting here. It's more positive than you're setting here.

It's a sixth sense. Five senses won't touch it. It's the sixth sense. Five senses won't declare faith at all. It's the sixth sense, and the sixth sense is the one that declares the whole armor of God. And the whole armor of God is nothing that the... one of the five senses will declare. Do you believe that?

Look. Faith, love, joy, peace, long-suffering, meekness, gentleness, patience, who can declare that by some of your science? You can't do it. It's a faith, the sixth sense that goes out and declares it. "It's the

**substance of things hoped for, the evidence of things not seen." You don't see it, taste it, feel it, smell it, or hear it; you believe it. That's right.**

**8) 63-1116E PERSEVERANCE\_ NEW.YORK.NY V-18 N-12 SATURDAY\_**

« **137** † This little woman, she was a Greek from the country of Syrophenicia, and we find out that she must have heard about the praises and glory of the Lord Jesus. "Faith cometh by hearing, hearing the Word of God." She heard, and when she heard...

**138** You know, faith finds sources that others don't see. Now if you don't have faith, well, then, there is no need of trying to show it to you. Because, faith can see it. "Faith is the substance of things hoped for, the evidence of things not seen." **Faith sees what the blind people doesn't see. Faith is the sixth sense. Five senses are fine, as long as they don't disagree with the sixth. But the sixth sense is faith, "it's the substance of things hoped for," you don't see, taste, feel, smell, or hear, but yet you know it. Faith tells you so. And it's so sure that it's real, that it comes to you a substance. Not just imagination. It's something you have.**

**139** I see people come on the platform, said, "Brother Branham, I've got all faith!" "Well, what are you doing up here, then?" See? See? See?

**140** "I don't have it." And, but there when you got, when anything...

**9) 47-0412 FAITH.IS.THE.SUBSTANCE\_ OAKLAND.CA SATURDAY\_**

« **E-48** † All right. Now, you see what faith is. It's something... Now look friends; I know that all of you are, at least know this: This body is controlled by five senses. Is that right? All right, it's got five senses is everything that controls this human body. **Now, listen real close, and give me your attention now. The sense, five senses, is this right? See, taste, feel, smell, hear, is that right? Them five senses control the entire human body. Is that true? See, taste, feel, smell, and hear. Now, there's none of them that declare faith. Faith is the sixth sense, known to some people as you want to as mental telepathy or--or whatever you want or wish to call it, many of them call it names, but to me it's faith. And that is in and above all five senses of the human body. You see what I mean? [End of record--Ed.]... great...**

**Faith is the only direct and positive sense, and it's the sixth sense. Faith is more than sight. Faith is more than feeling. You do not feel faith. You don't taste faith. You don't smell faith. You don't see faith. Faith is the substance of things hoped for, the evidence of things not seen.**

**10) 60-0108 CONFERENCE.WITH.GOD\_ TIFTON.GA FRIDAY\_**

« **E-21** † Now, I want you to get something here. God, when He made man, give him five senses. And those five senses are see, taste, feel, smell, and hear, as we all know. Those five senses was not given to a man to guide him. That was given to a man to contact his earthly home: see, taste, feel, smell, and hear. **And that's your earthly senses, and they were not given to you to guide you. But God sent the Holy Spirit, and He's your guide, the sixth Sense. That makes you believe things that you can't see, taste, feel, smell, or hear. That sixth sense, something that rise you up (and only one class of people has that sixth sense; that's believers)... Hebrews 11:1 said, "By faith... And without faith, it's impossible to please God." So, God gives man faith! And faith is the sixth sense that makes you deny anything that's contrary to His Word.**

« **E-23** † **Well, that's a precious treasure in the mind of God, and in the heart of God, that He can use that person. Until we get to a place that we've--we do not rely upon these five senses (of contact to earthly home), and walk by faith... "for the just shall live by faith..."**

Moses needed that touch. He tried to do it intellectually. That's what's the matter with the churches of our day. We're trying to do it through schools. We're trying to do it through denominations. We're trying to do it through education, and reformation. **What the church needs is a--a new birth, a baptism of the Holy Spirit, the touch of the sixth sense that sets the soul on fire for God. That touch to bring him out of that rut...**

When they begin to say, "The days of miracles is past, and there's no such a thing as Divine healing," God needs to touch that church, call a conference. Why would we doubt His Word?

« **E-24** † So He called a conference with Moses. And He selected a place, a burning bush. And at that burning bush, He talked to Moses and said, "I remember My promise, and I'm sending you down yonder, where you made a failure. I'm sending you right back to take up where you left off, but this time, it's going to be different." Moses, a coward, running from God...

**Oh, sometime when you get in contact with God and have a conference with Him, and He touches you and brings down that sixth sense, that power, it makes you do things that the people think you're crazy.**

**11) 60-0311 MARY'S.BELIEF\_ PHOENIX.AZ FRIDAY\_**

« E-39 † How many would like to be remembered, and say, "Brother Branham, let that power that made John in the womb of his mother come to life, may it waken me out my dull senses."

God bless you, boys; God bless you there. God bless you, all over the building, your hands up. **"Let that Holy Spirit waken me from this slumber that I'm setting in. I want to be filled with the Holy Spirit in such a way that my human senses will not function, unless it's in the will of God. I want to be led by the Spirit."**

**The spirit is the sixth sense; God gave man five senses. They wasn't to control you; they're to contract--contact your earthly home. But the sixth sense, which is faith, it leads you; it controls you.**

**12) 60-0611E FAITH.IS.THE.SIXTH.SENSE\_ CHAUTAUQUA.OH SATURDAY\_**

« E-2 † **Brother, that's what the church has done to the sixth sense God put him in. He's just placed faith off in miracles and signs. And the things that contacts God, gives him the Holy Ghost, and things, he's placed that off over there or back over here somewhere, till the thing has become dead. That's right. He don't know how to use it. The thing's just nothing to him.**

You say, "Well, God's a Healer."

"Oh, what about that, 'God's a Healer.'"

If He ever was a Healer, He's still a Healer! **If He ever was a Saviour He's still a Saviour. If He ever was God, He's still God. So you see, it's a lack of faith that's been preached into the people, that makes them let that sixth sense, which is faith, lay dormant.**

**13) 60-0611E FAITH.IS.THE.SIXTH.SENSE\_ CHAUTAUQUA.OH SATURDAY\_**

« E-44 † Our, heavenly Father, the sixth sense, these testimonies from the Bible that the sixth sense as I call it faith. **15) 61-1224 SIRS.WE.WOULD.SEE.JESUS\_ JEFFERSONVILLE.IN V-3 N-23 SUNDAY\_**

« 14-1 † And I had on an old patrol suit; and I said to the woman; I said, "Just a moment, my sisters. See, you do have to live just according to the Bible, no matter how It was."

She said, "But we never lived back there, and we never seen Him."

**I said, "I have seen Him." And I said, "The thing of it is..." I thought, "Lord, now I'm before two great, smart churches; now You've got to give me wisdom." And so, then I heard myself go to talking. I want you to examine it. Never thought of it in my life. I said, "A man today has to be like he was then, because he's the same man. He's made up of five senses, and if he stood and looked at**

**Him right in the face, he would still have to have that sixth sense of faith to believe Him no matter what He looked like. He'd have to believe Him anyhow."**

And they hid their faces with shame and said, "We never saw it, sir, like that." And started going off, then I turned and started to the mission fields, which I know was a--a call back to the field.

**16) 59-1227E A.SUPER.SENSE\_ JEFFERSONVILLE.IN V-20 N-7 SUNDAY\_**

« 189 † Precious Lord, our God and our Father, Thou art so good to us. You give us five senses to live by and to walk by in this earth, or to--or to touch the earth. We can feel things that's--that's to be felt with our hands, tangible things. You give us hearing that we can hear. We're so glad of that, that we can hear the Word of God, and by that, "faith cometh by hearing, hearing the Word of God." We're thankful for these six senses, Lord. May we maintain them all the days of our life.

**But may this super sense, may the sense of faith, that belongs to the believer, because he has to have it in order to believe... Lord, give us more of it. Oh, purge it, Lord, and try us, and fill us with Thy goodness and Thy power. Let us walk all the days of our life by the sixth sense, by the sense of faith, that's only given by Jesus Christ. That what we pray for, may we believe that we receive it, have no doubt in our heart, and You promised that it would come to pass.**

These who had their hands up, Lord, I'm praying for them. They had needs. You know what they were. I pray that You'll bring them to pass, every one of them. May it be fulfilled, their desire. I ask it in Jesus' Name. Amen.

**17) 59-1227E A.SUPER.SENSE\_ JEFFERSONVILLE.IN V-20 N-7 SUNDAY\_**

« 53 † God gave those senses, but they're given to you as a gift. And it depends on how you, what you yield these senses to, will be the way that your life is controlled: the way you yield those five senses, you're... What you see, what you hear, what you taste, smell, or feel, whatever those senses are yielded to, they will dominate you.

**And we are grateful to God that we have the five senses, but by no means was these five senses given to you to guide you. They were given to you for earthly contact. But there was given you the sixth sense, and that sixth sense is--belongs only to the Christian. And you cannot have this sixth sense until you become a Christian, is the only way that you can ever have any more than the five natural senses for the natural person. But, sixth sense is better known, to the Christian, as faith. It's the one that governs and guides you, and it is superior to all the other senses.** It's a superior to all of the senses, the other five senses.

**18) 59-1227E A.SUPER.SENSE\_ JEFFERSONVILLE.IN V-20 N-7 SUNDAY\_**

« 168 † It was that sixth sense that raised Jesus Christ from the dead after He had laid in the ground, because He believed the Word of God. Said, "Destroy this body, and I'll raise it up again on the third day. For David said, "I'll not leave My Holy One to see corruption, neither will I leave His soul in hell." It was that super sense. **Cast down the reasonings of these senses. Believe the super sense, the sense of faith, that Jesus Christ gives.**

**By that same sense, God spoke when there was nothing. What is that sense? That super sense is God, the faith of God in you, the part of God that comes into you, gives you the super sense. By that same super sense, God framed the world together with things which was not and did not appear. He spoke His Word and believed His Word, and a world shook into existence. Glory.**

**19) 60-0108 CONFERENCE.WITH.GOD\_ TIFTON.GA FRIDAY\_**

« E-22 † **He gave Moses that faith when he was (that sixth sense), when he was seventy-five years old and Sarah sixty-five.** Her womb was dead. He'd lived with her since she was about seventeen years old, no children. He was seventy-five years old, as good as dead, and God told him he was going to have a baby. And he called anything contrary to it, as though it wasn't, for he was fully persuaded that God was able to keep every word He said. He didn't just wait from one night to the other. **He waited twenty-five years before it ever happened, but he never failed one time. He staggered not at the promise through unbelief, but was strong, giving praise to God. He had a touch of that sixth sense. He called anything contrary to what God said, as though it wasn't. What God said was true. And after twenty-five years the baby was born.**

**20) 59-1227E A.SUPER.SENSE\_ JEFFERSONVILLE.IN V-20 N-7 SUNDAY\_**

« 60 † **Now, you cannot believe it until you are regenerated. The Bible said that no man can call Jesus the Christ, only by the Holy Ghost.** We went through that this last week. And it's been such a stumbling block, especially to the Pentecostal believing people, when they hear me say that. Jesus said in Saint John 5:24, "He that heareth My Word and believeth on Him that sent Me, has Eternal Life." Eternal Life comes from God alone. "And no man can say Jesus is the Christ, only by the Holy Ghost."

**You're only taking what somebody else said, what you learned by intellectual, what you learned by the natural five senses. But when the sixth sense comes in, the Holy Spirit, It takes away all the reasonings of these six senses--and five senses, and lifts you up into that sixth sense, to make you believe things that you can't see, taste, feel, smell, or hear. Does something to you. Then you can say Jesus is the Christ, because you have witnessed it; not what intellectual teaching has taught you, but what you've experienced.**

**21) 63-0825E PERFECT.FAITH\_ JEFFERSONVILLE.IN V-6 N-11 SUNDAY\_**

« 48 † Now, other words, I'm venturing out, "Well, I'll go. The Bible said, 'Call the elders, let them anoint with oil, pray over it.' I know, I'll go up." And you say, "Well, I'm going to be healed." See, you're making yourself; you don't watch now, you're going to make yourself just--just worked up. Then when he pass through, he say, "Oh, I--I still don't see." See, there you was, you didn't have faith!

**49** Your genuine faith will do it right there. Your--your genuine faith will make it so real to you that... Look at that little woman with the blood issue, she said, "If I can only touch the border of His garment, I'll be made well." And as soon as she did it, she said she "felt within herself that her blood issue stopped." She actually believed it.

**50** And when she touched It... to prove that it stopped--it stopped, Jesus turned and said, "Who touched Me?" That Perfect Faith! And that same Perfect Faith tonight, will touch Jesus Christ just as it did then. **The woman come with a Perfect Faith for that time.**
