'If our hearts condemn us, we want complete deliverance. We don't want to be halfway, church. We want to be a real church or no church at all. We want to be real Christians or no Christians at all. We want total deliverance from our habits, from our sins, from our evil thinking, from our evil doing, from our negligence, whatever we've done. We want total deliverance, **so that when** people come into this church, to be prayed for, there will be just this little group (maybe not over a hundred, or two) sitting here, but they'll be completely in the hands of God. And when we pray, then God will hear from Heaven. God wants somebody that He can hold in His hands, somebody that He can say, "I got confidence in.
