12-0624pm - A Study on the Book of Revelations Pt.12 (Four Beast Full of Eyes) - Samuel Dale

[www.SpokenWordChurch.com](http://www.SpokenWordChurch.com)

### REVELATION 1:1-3

- » 1 † ¶ The Revelation of Jesus Christ, which God gave unto him, to shew unto his servants things which must shortly come to pass; and he sent and signified it by his angel unto his servant John:
- » 2 † Who bare record of the word of God, and of the testimony of Jesus Christ, and of all things that he saw.
- » 3 † ¶ Blessed is he that readeth, and they that hear the words of this prophecy, and keep those things which are written therein: for the time is at hand.

### REVELATION 4:6-8

- » 6 † And before the throne there was a sea of glass like unto crystal: and in the midst of the throne, and round about the throne, were four beasts full of eyes before and behind.
- » 7 † And the first beast was like a lion, and the second beast like a calf, and the third beast had a face as a man, and the fourth beast was like a flying eagle.
- » 8 † ¶ And the four beasts had each of them six wings about him; and they were full of eyes within: and they rest not day and night, saying, Holy, holy, holy, Lord God Almighty, which was, and is, and is to come.

« 88 † The--the four stages of his rider has been revealed. The four stages of the antichrist riding has been revealed at this time; therefore, they don't have to have any more. And there was four living creatures of God to announce the rider as they rode. Four beasts are four powers. Now, we know that "beast," by interpretation of the terms of the Bible symbols, means "power." Now, let's get that close. The four are beasts in the Bible represent a power among the people. Now, if we find out... Like in Daniel when he saw a certain nation rise up, it would be maybe a bear holding a rib in his side: symbol. Then he seen another power raise up, a goat; it represented something. Then he seen another power raise up, and--and it was a leopard with so many heads; it represented a certain Kingdom. Then he saw another one rise up--a great lion with teeth and--and stomped the residue; that represented a different power altogether. One was a--a Kingdom of Nebuchadnezzar, and another type of a dream. Daniel saw a vision. Nebuchadnezzar dreamed a dream, but Daniel interpreted his dream, and it was correctly with the vision. Amen. Whew.

### 2A) 61-0108 REVELATION.CHAPTER.FOUR.3\_ JEFFERSONVILLE.IN ROJC 645-716 SUNDAY\_

And it goes ahead and describes the "beasts," which we'll get to it in a minute. Now, the beast here is represented. Have you got a marginal reading in your Bible, on--on beasts? If you have, get over in the marginal reading. I notice Doctor Scofield here has it marked out in his. The beasts means, he's got over here, says, "living Creatures." Oh, my! Now, watch. The Greek word there is, "Z, double o, m"... or, "Z, double o, n" it is, "Z, double o, n." Now, in--in the Greek, it's called Zoon which means "a Creature."

« 252 † Now, it isn't so... if you want to read it now. We haven't got time. I was going to read it, but I haven't. Put down Revelation 11, 13, and 17. Now, there where beast is, the chapters in Revelation 11, 13, and 17, is called beasts the same way; but the beasts there, interpretation is "t-h-e-r-i-o-n," therion. The word, Greek word therion, which means "a wild, untamed beast." Therion, that means "a wild, untamed beast." But Zoon means "a Creature," see, "Four living (Zoon) Creatures." Not the beasts of "wild," therion; but, "Zoon, living Creatures." And therion is "wild, untamed savages." In other words, if you'll watch the 11th chapter, "the beast of Rome." The 13th chapter, "the United States." The 17th chapter, "both United States and Rome," of the denominational churches consolidated with Catholicism makes them a unconverted, untamed to the Gospel. Whew! Untamed!

## **2B) 63-0322 THE.FIFTH.SEAL\_**

« 113 † Notice, as the antichrist went forth on his beast of ministry there, God sent forth a beast to combat it. See? Now, watch. Then every time the beast rode on his horse (the antichrist rode on his horse, on his beast) to announce his ministry, God sent His beast also, in his own mask to announce His combat to it.

Now, the Scripture says, "When the enemy comes in like a flood, the Spirit of God raises a standard against it. And so when the enemy went out as an antichrist, God sent a certain type of power out to meet him. And then when they--he went out again as a red horse rider--another color, another power, another ministry--God sent another one after him to combat it, to hold His Church. Sent the third one, again God sent His third beast to come and announce it. He sent the fourth one. God sent His fourth one, and then the antichrist end, and the church ages ended too at that time. Watch. Now, oh, I... This is really good.

« 119 † Now, we see that the devil changing four--a--four beasts meant what power they was revealed to the--what power he revealed to the world and how they ended on this pale death horse. Now, let's look at God's powers of these beasts to combat them.

The first beast of God that He went out to meet the antichrist with, the antichrist spirit when it said it's just his teaching. Now, remember, when the antichrist first rode, he was in a teaching ministry. The antichrist rode first in a teaching ministry.

« 122 † And watch the one that went to meet him, the Lion, the Lion of the tribe of Juda, which is the Word. When his false teaching went forth, the true Word went to meet him. That's the reason we had an Irenaeus, and a Polycarp, and--and--and those fellows, Saint Martin. When that antichrist was riding with his false teaching, God sent His teaching out, the Word, the Lion of the tribe of Juda, which is the Word made manifest in the Holy Spirit. And the Holy Spirit there to manifest Himself which is the Word...

That's the reason the early church had healings and miracles and visions and power, is because it was the living Word in the form of the Lion of the tribe of Juda riding out to combat that. Amen. Now, you got it? He sends his power, antichrist; God sends His, the Word. Antichrist, false teaching; the true teaching went with it to combat it. Now, that was the first one. Now, this was the first church, apostolic, that went to meet him.

« 125 † Now, the second beast that the antichrist sent out was a red beast, which was a--that he rode on--was to take peace from the earth and--and war. Now, the second one that went to combat him was the ox beast. The ox means a labor, a beast of burden.

And now, if we could just stop just a minute. Let me get-- let... Just so you be sure to see this. That--that's the kind might be a little puzzling to you. But let us get Thyatira over here. Watch and see if it isn't a--a--a--a laboring church. You see?

And to the angel of the church of Thyatira write; These things saith the Son of God, who hath his eyes are like the flames of fire, and his feet are like fine brass;

I know thy works (See? becoming all works now See, because that's the one who's riding with them) and thy charity, and service (see? it's all just...) and faith, and... patience, and thy works;... (again, twice--thy works) and the last to be more than the first.

« 129 † See, that shows that the Thyatira Age, after the antichrist got settled down and it come into a Thyatira Age, the little church could do nothing but just--just simply labor. And another thing, the ox is a--also is a beast of sacrifice. See, they give their lives just as freely as they could give them.

In the Dark Ages, a thousand years, there the Catholicism controlled the world, and they just went right in, "yes" or "no". They didn't mind dying. If it was death, that's all right. They went and died anyhow. Why? The very Spirit of the age...

« 131 † That's the reason them... That's the reason Irenaeus, that's the reason Polycarp, John, Paul, those great mighty men out there combating that thing... Paul saw it. He said, "I know that after my departing, that wolves are going to enter in among you, brethren teaching perverse things; it'll draw you away."

Look at that stern little old apostle standing there, his back beat full of stripes, his eyes watering, but he could see farther than their--that scope--claiming that out yonder that they can see a hundred and twenty million light--years of light space. He could see plumb into eternity. Yes. There he was. And he predicted it and said that's what would take place, and said... Also went on down to the other age to come...

### 3) 63-0322 THE.FIFTH.SEAL\_

« 140 † I'm going to set this box up here to represent that. If God sends a certain Spirit among them, that's the only thing that they can work by, is the Spirit that works among them. Now, we'll prove to you by the history of the church and by the opening of the Seals and the powers that let loose... And watch exactly the church responded to the--the anointing, and they couldn't do nothing else.

« 141 † Now, the first was that lion that roared, that pure unadulterated Word. The second in Thyatira was the ox, and it was a--a burden, a beast of burden (pardon me), and it was also a sacrificial beast. And wasn't that exactly the poor little church of Rome that settled down there to a thousand years of dark ages? And anything that didn't profess to be of the Roman church was put to death immediately; and they had to labor, go from place to place.

« 143 † You Masons, I'll call your attention. You remember the sign of the cross? Now, you--you know what I'm talking about. Now, notice. Now, if you--if you notice that was packing and preserving that Bible. See? And they had to labor among one another. There you are, the ox. And when it come time... We read it last night. See, when the thing went forth, and the sacrifice come, and they had to go, He said, "Don't you hurt the wine and oil." What did they do? They willingly walked up there and died.

« 145 † They didn't care because the Spirit of the church in that day was sacrifice, labor. And they walked up just as freely as they could walk, anointed with the true Spirit of God of that age, and died like heroes of sacrifice, thousands times thousands, sixty-eight million of them on the record: ox, sacrifice.

Oh, my. Do you understand it? Okay. All right. Now, the sacrifice, it only could labor in that age to combat the great opposition for that one thousand years.

« 147 † Now, the third beast that went out from the devil was this black horse. See? Now, the third beast that went out, power from God to combat him, to combat the powers of the black horse, was a man, cunning, smart, with the wisdom of God. You know, a man is the--smarter than any of the beasts. See? He's smarter 'cause he can outwit him, mostly. He's cunning, shrewd. See? And he's the... The age from the dark age now, coming out from the dark age down to this other side where this black horse was riding, when they charged for their--their--their sacrifices and everything they done, and money was just... Oh, you know how it was.

« 150 † Now, the next thing went out to combat that was a beast with the face of a man: smart, educated, shrewd, fine, anointed with that Spirit of that day. You notice it? Now, he went to combat him with the cunningness of God's wisdom with him. That was the age of the Reformation: Martin Luther, John Wesley, and so forth. See, it was the Reformation: Zwingli, and a, oh, who all, Knox, Calvin, and who all (See?), went out. It was a cunningness.

« 151 † Now, you watch. Exactly from the dark age, from the Reformation, this a-way, watch; it was the shrewdness of man.

(If you drop your windows just a little bit, I believe people getting kinda a little warm, maybe, and there if you'd just pull the windows down just a little bit, 'cause it's... I know if me standing here preaching getting hot, I know you're bound to be out there.)

But notice, it was the shrewdness of man. Now, do you understand? That third beast that Satan sent out, he become shrewd too.

Watch, "A measure of wheat for a penny, three measures of barley for a penny." See? Oh, my. See? The money-making scheme, the shrewdness to get the gold of the world and the wealth brought into it. That's exactly to fulfill. That's what... Begin to charge for prayers and for--make a place called purgatory; and prayed their ancestors out, and, or you had to will your deeds and everything, your property. The church and it was--state was the same, and the church taken your property over.

« 154 † And a... Don't you see some of these evangelists, this day still have that same anointing on them, making old people give up their pensions, and deeding their homes over to certain things. Why, brother... I don't--I--I don't want to get on that. See? But now... I'll stay right with this. I look back to see where I'm going. Now, notice... Them men, that's up to them. That's up to them. That--that--that don't have one thing to do with me. I'm just responsible for this here.

« 155 † Now, notice, the--the beast come to combat it now, was man. And we all know that this beast of man, this power of man in his intellectuals, recognized that that kosher that Martin Luther had in his hand when he was climbing those steps... They said, "This is the Blood of Jesus Christ. This is the body of Jesus Christ." And Luther threw it down and said, "It's bread and wine. It's not the body of Christ, 'cause It's been exalted and setting at the right hand of God, making intercessions." See, wisdom (See?), man.

« 158 † And when John Wesley come along, after Zwingli had come in, and Calvin, and he got the church to a place on security till they didn't want more revivals, "Whatever is going to be is going to be," that was all. And they just lived any kind of lives. The Lutheran Church was so twisted and the Anglican church (Oh, my.) the whole country become corrupt just like it is now. The churches had twisted... When King Henry the--the VIII come into England, and after Bloody Mary, and all these things taken place... And then the church was so full of violence and corruption. Men claiming Christianity and living with four, five wives or doing anything they wanted to do and carrying on in filth. John Wesley studying the Scripture and watching it, it was revealed to him that the Blood of Jesus Christ sanctifies the believer, and you're--shouldn't... Then what did he do? He come out with another reformation. He saved the world in his day like Luther did. See? What was it? That man, beast power, going out.

« 161 † He give men wisdom of understanding that the thing is wrong. That isn't the Blood of Jesus Christ. That isn't the--the body of Jesus Christ; that represents the body. See? That's the still great fuss between Catholic and Protestant now. That's the only thing they can't get together on right now. Everything else they can get together on but that. These--and them councils they're having... Notice now, but this--but they couldn't get together on that. See? The one is the blood, and says it's the literal blood, that the priest has the power to change this bread to the literal body of Christ. That's what the little tabernacle is in the--the--the church. You know that's the reason they make signs and any kind of a pagan offer as they go by, you know, and bow theirself, and tip their hats and so forth. That is not to the building; it's to that kosher that's in the--the tabernacles. And...

« 164 † Notice how Satan shrewdly pulled that. But see, at that time, upon the man's being (See?) God put a Spirit of wisdom upon man to understand that's wrong. Now, that was to combat the third beast, that had got the church so corrupt (that he was riding) that it was terrible--the reformers. What did they do then, they--in the reformers' age? They brought the church from its pagan ceremonies of idolatry back to God again. See? That's what the beast went forth, that cunningness of man, rider to do it.

#### 4) 63-0322 THE.FIFTH.SEAL\_

« 172 † Notice, the beast, the third beast now, was the cunningness of a man. And he represented the reformers that went forth from the idol of pagan, say, "This is the bread; this is the wine." See, the antichrist has still got something symbolizes Christianity. He's got to, 'cause he's against. You see? And then if he's got to be against something... Now, if he come along and say, "Oh, I'm a Buddha." Well, that has got nothing at all to do; that's just a heathen to begin with. But the antichrist is cunning. He's got all kinds of things that represents Christianity there, only got it off on the other side, something against the original doctrine of it. See, that's what makes him antichrist. See? So the reformers, when the beast went forth in the form of a--of a man to combat that... Now, don't forget this, class; don't forget it. See? Remember it all the days of your life. See? These beasts are correct; it's THUS SAITH THE LORD. See?

« 178 † Notice, idolatry brought the--the man beast went forth with the power of God by wisdom that God gave him and brought the church from idolatry back to God. But in the... We find out in that same church age when they started to denominate to do the same thing that they did in the beginning, that Rome did... Now, she's going to make daughters to that church, and what does she say? Said, "Now, that you're--I haven't found you perfect, and you got to strengthen that little strength you got left." Now, listen to him warn them in Revelations again, 3:3. Let's get... Well, I believe I got it just a few minutes ago. Remember from... how thou hast received and heard, and hold fast, and repent... (Just, in other wise: "Remember, that you come out of such corruption as that. See? And look here.)... If therefore thou shalt not watch, I will come unto thee as a thief... (Uh-huh.)... and thou shall know--and thou shall not know what hour I will come upon thee.

**5) 63-0322 THE.FIFTH.SEAL\_ JEFFERSONVILLE.IN FRIDAY\_**

« 186 † Notice. Now, the fourth beast that was sent forth to combat the antichrist in this last beast... Are you ready? The last beast that was sent forth, or the last power to combat the antichrist (who was against the teaching of God, the antichrist) was an eagle. See? The fourth living beast was an eagle. Now, you just study the ages, study the Scriptures, it's a eagle. And in the Bible the last age was an eagle age, and God likens the eagle to His prophets. See? It... Now, watch. The last age, the eagle age--a revealer of the true Word. See?

Before God moves to action, like He did in the days of Noah, He sent forth an eagle. When He brought Israel, and Pharaoh's army was ready to go, He sent an eagle. Every time He sends an eagle at the last end of it. And here He sends an eagle again. That's exactly with the Word, so how can you make it anything else? He sends an eagle.

« 188 † Why? A revealer of the Truth that's been fallen all through the age. So how in the world could the--a--the ox, or the--a--or the--a man, or whatever beast was riding, how could it ever be revealed until the eagle's come? They had their place. They were godly sent beasts, just the same as anybody else was.

The lion, that was the original. There's where the antichrist come up in the--in combat; then He raised up another power. He sent a power to meet it. Then He raised up another power, and He sent another power to meet it. And then at the last power, He brings down the eagle to restore the children back to the original faith again of the fathers--the eagle age. Then did you notice? There's no more beasts. That's all of it. That's the end.

« 193 † Now, if you will take now Revelations 10:1-7 (I've been referring to it.) remember, in the last messenger's age (See?) what was to happen? "All of the mysteries of God would be revealed." The eagle. Amen.

Now, you see the four beasts that rode? That was perfectly right. You believe that? And now, here's each age, or each power, that rode behind it, and there is the Scripture that shows what the enemy's rider did. That's been revealed in these Seals, and also it's been revealed now that each beast power that God sent out to combat it hits exactly on the dot, up to the eagle time.

« 195 † Now, if this is the last time, there'll come a eagle. That's right. And to that... Now, remember, now, in the days that the lion came, the original Word, about one-hundredth of them listened to the lion. In the days that the--a--the ox came, just a teeny little drop of them listened to the ox message. In the days that the--the man come, he worked among men. You see? So he was shrewd. He got a little group out, and what did they do? Satan seen that, so he just sends them right back and marries them into it. And remember, when the eagle finally comes, it'll be one-hundredth of one percent that'll listen; it's a eagle age.

**6) 63-0323 THE.SIXTH.SEAL\_ JEFFERSONVILLE.IN SATURDAY\_**

« 31 † All right. Now, a little preview of last evening in the breaking of the Fifth Seal. We won't go all the way back tonight, just back far enough to get the--the Fifth Seal.

Now, we find out that there was the antichrist that rode on, and wound himself up from three powers, all went into one power and rode the pale horse, death, into a bottomless pit into perdition where it come from. And then we find out when the--the Scriptures says when the enemy comes in like a flood, the Spirit of God raises up a standard against it. And we seen it perfectly vindicated in the Word last night.

For there was four beasts that--that answered to the--the four times that this rider rode, and he rode a different horse each time--a white horse, and then a red horse, and a black horse, and then a pale horse. And we found out those colors and what they were and what they did; then take it right back into the ages of the churches and exactly that's what it done, just perfectly.

Therefore you see, when the Word of God blends together, that mean It's correct. You see? You... I believe anything that hooks with the Word of God is always, "Amen." See?

**7) 63-0323 THE.SIXTH.SEAL\_ JEFFERSONVILLE.IN SATURDAY\_**

« 57 † There was one sent for the first age, of lamb--of lion. That was the Word, of course, Christ. And next was the ox, during the time of the dark age, when--when the--the church had organized and--and had accepted dogmas instead of the Word. And you remember the whole thing is based on two things, one an antichrist, the other one a Christ.

It's still the same thing today. There is no halfway Christians. There's no drunk-sober man, no black-white birds, no, no, no sinner-saints. No, you're either a sinner or a saint. See? There's just no in-between. You're either born again or you're not borned again. You're either filled with the Holy Spirit or you're not filled with the Holy Spirit. No matter how many sensations you had, if you ain't filled with the Holy Spirit, you're not filled with It. See? And if you had been filled with It, your life shows It. Goes right up to it. See? Nobody has to tell anybody about it; they see it (See?), 'cause it's a seal.

« 61 † Now, and we find those beasts, how they rode each time. One sent out on his ministry in political powers, uniting religious powers and--and political powers together. We find out God sent out His power to combat it. We go right back and see what the church age was and look back, and there it was just exactly that way.

Then we find out another age come along, and the enemy sent out the antichrist under the name of religion, under the Name of Christ, under the name of the church (Yes, sir.), went out under the name of the church even. "That was the real Church," she said. See? Antichrist is not Russia. Antichrist is not that. Antichrist is so close like real Christianity till the Bible said it would fool everything that wasn't predestinated. That's right.

**8) 63-0323 THE.SIXTH.SEAL\_**

« 103 † Notice the ministry of the Lion, the Word; the Ox, the laboring sacrifice; the cunningness of the reformers; and the--the eagle age coming in that's to reveal and pick up these things and show them.

Now, we find out in last night's service also, the great mystery opened with this Seal, which was absolutely contrary to my former understanding--just a--presuming that it was right.

**9) 63-0324E THE.SEVENTH.SEAL\_**

« 46 † Now, as you're--want to turn maybe in your Bibles, and this is just a short verse, one verse of Scripture, but it's the--the last verse found--last Seal rather. **Now, last night we were speaking on the Sixth Seal. First Seal, being the antichrist introduced, his time went through, and we seen how he went out, how the beast that was introduced on God's power that went forth with the antichrist power to combat it. I don't believe there could be a question in anybody's mind about it.**

Then we find out immediately after that, when that church age, them beasts, went--got through we find out we changed the whole picture there. No more beasts come out. See? But it was introducing, coming forward over into the tribulation period after the Church had went out. And how perfectly it fit right in with the church ages. I don't see one iota, one thing that didn't fit perfectly, even to the ages and everything, and the time. Think of it. That shows it had to be God do it. See? The human mind could not fathom that.
